“ *PT and Kent, your Mom always made me feel welcome when we came to visit from Canada. She taught me how to make guacamole, burritos and so much more. I loved her ham and cheese or egg and cheese burritos when we didn't want to stop and take time to eat. She was incredibly nice and treated Dawn, Laura-Lee and I like extended family. Stay strong guys. Your parents were among the coolest people I've met. I miss you both and would like to catch up the next time I'm in Texas. XO Sharon (Woolacott) Herres*

PT and Kent, I am so sorry for your loss. I cannot imagine what you are going through especially so soon after your father passing. Your mom always welcomed me into your home and treated me like family. She was the best cook and your parents taught me what a successful marriage and family looks like. I can never express how much they have meant to me.

I had intended to go to Texas last summer but for obvious reason that did not happen. It will not be the same now that they are gone but I do still hope we can get together when I do go. You are in my thoughts and prayers and may your parents find comfort now that they are together gain. Love always Dawn Woolacott-Myers
