“ *Helen enjoyed life. No one could visit more Disney World attractions in a day than she and her family. I will never forget how happy she was when she discovered 1928 flavored Double Bubble gum along with the inane comic strips at Cracker Barrel this last year. Whatever the circumstance, Helen was always cheerful and encouraging. She had an extraordinary gift of being able to connect and converse easily with all kinds of people. I will always cherish the needlepoint Bible mark she gave me. I will miss Helen. God bless and comfort you, John, Helen Anne and family.*
