“Helen was my favorite Aunt, she always had a smile and a laugh. She and her sister (my mom) always had a twinkle in their eye even in their 90s like they knew a funny secret that remained unshared. I have many wonderful memories of visiting her house at Thanksgiving. Getting to hang out with my cool cousins Kenny, Karen, Donna, and Julie. I am so glad I was able to visit her last February and play Pollyanna with her and the family again. My memory of her from February, looking so much like my mom, playing and winning at Pollyanna is delightful. I am sure she is with my mom sharing their secret twinkle and reunited with her husband, brothers and parents.

I love you Aunt Helen.
