My heartfelt condolences. I've known Mrs Vargas since I was a little girl. My mom and Mrs Vargas were in the Ladies Marine Corps Auxiliary for many many years. Her son, Joe Ruben, baptized my daughter. Rest in peace.

“ A beautiful tribute to my Tia. I remember you stopping by my mom's home every morning after you dropped the boys off at school. At that time my son Christopher was a newborn, you would love to visit with him and hold him and kiss his patitas as you would say. So many other memories I will treasure of you Tia. RIP till we see each other again. Love you Tia.

“ Tia Queta, you will be missed in more ways than many people will ever know. Everyone who knew you Loved You. I remember when you and Frankie lived with Abuelita, Tito, Lupe, Beto and Josie. I recall staying there and going to school while my mother went to work. To me all those years were full of joyful memories. Tia, I remember your Full enjoyment of life!! Everyone, it seemed, had a big smile on their face whenever you were in the room. You and Fun were the same to me. We used to enjoy listening to you tell stories about your sisters (like my mom) and hearing you call each other "huerca" while being silly with one another. The enjoyable loud laughs especially when all the sisters were enjoying each others company was something I and all the cousins will always remember!!

Carlos was always carrying a big smile on his face when I saw the two of you together and even when you were not together. I always felt you two exemplified the meaning of a very happy couple. We all saw you as a strong woman while yet with a soft heart for every member of all your family.

God Bless you with the knowledge that you and Ruben are now filled with the grace of our Lord and that you are with your parents, brother, sisters and the rest of your loving family.

We love you Tia...

A special message of sympathy to the "Vargas Family" from the "Martinez Family":

Heaven gained an angel when Queta passed away...And although she may have left this earth, she'll be with you every day...So may you find some comfort in knowing she will always be a part of every moment in your life because you now have an Angel in your heart...May all the cherished memories that meant the most to you help bring your inner peace and make Queta seem still very close to you...
