“ *Everyone loved H M. He was
One of the class clowns. He always had a classy car to dr. All of the
girls fell in love with him when he first came to Medina (including
me). I think he came to our class in the 7th or 8th grade. He was a
Butt load of fun. When he started to date
Anne, that was all she wrote. He was never anymore fun for the rest
of us.*
