“ *When my dad passed, I'd never experienced the death of someone so close. If I could impart one thing I learned from him, it's that the things we lose in this world are nothing compared to the things we gain in the next. I don't know what his favorite bible verse was, so I'll end with mine. Mathew 7: 7-8.*

In his later years, he looked so much like my dad. I loved his voice, his thoughtful use of words, and his great sense of humor. He and Aunt Barbara were so lovely. Wrapping you in tight hugs and great memories. Judith Wooten Philips
