“ *Herbie and Margie were our next door neighbors for many years and we considered them family. They were wonderful! Before we moved to Japan, Judy was my best friend and when we came back 4 years later: Keith as a 4 year old went with me every where I went. So we spent lots of time with the Keller family. Many wonderful memories. The whole Roberts family loved them dearly. Miss you already!!*

“ *How lucky I was to have lived right across the street from Herbie and Margie. The most beautiful yard and spotless cars I've ever seen. I don't think these two had an angry bone in their body! I will cherish my years as neighbors forever. Rest in peace Herb. Rosanne and Adrian Dominguez, and the entire Treviño family send our condolences to the family.*

“ I'm sad to say that I haven't been in touch with Uncle Herb over the last few years, but I will always treasure my childhood memories of him and Aunt Margie. He was just always so happy to see us and his **ENTHUSIASM** and optimism was infectious. He was the best, and Heaven is lucky to have him!

Judy and Keith, what a champ of a guy Uncle Herbie was! He and Aunt Margie were always so welcoming when we went to visit. A big breakfast was always provided when we slept over. Uncle Herb was always patient with Aunt Margie even when she had a bad day!
