ME

“ *Its with deepest sorrow that I write these few lines in memory of my dearest Cousin Hurly.  
She meant so much to sooo many, always quick with a joke to make us laugh and never in doubt to tell you what was on her mind.  
Throughout my life, as an adolescent, teenager, young adult and then finally an adult with my own family, Hurly always treated me and my family with the same love, kindness and respect. So many people had the greatest respect for Hurly. She meant so much to her family, she will be dearly missed by her many nieces and nephews who always adored her. Although she may not be with us any longer, i know for a fact that when we think of Hurly, she will always bring a smile to our face.  
Rest in peace, we will miss you dearly Prima.*

“ Condolences to both the Rodriguez & Gonzales Families for your loss. It was an honor knowing you Hurly. You and my mom (Dede) and Epo were the best of friends. You were a strong woman. We know how much Joe Michael (podo) meant to you and how much you loved him. Thank you and Joe for entrusting in us to babysit him. You all are in our thoughts and prayers, with heartfelt sympathy. *Rest in Peace my friend. I want to thank GOD for allowing you to be a part of my life. We have shared many laughs and many sorrows. You were there when I lost my parents and other family members. I will always cherish our friendship. You Herly were truly one of a kind. My family was your family and I also considered you family as mine. There are so many great memories we shared but this particular is one of my favorite. The time you took the pregnancy test should I say your first pregnancy test ever. I remember the look in your face. I knew you were happy but I could still see your fear. With tears in your eyes you told me, "what am I going to do, I have never taken care of a baby, I can't even take care of myself." I hugged you and told you Herly you will be a great mom. I said once you hold your baby it motherhood will come naturally. I was right you where a great mother to both of your boys. The time has come for you to go home with Jacob and the Lord. I will forever treasure our memories. Till we met again. You will always have a plave in my heart. I love you Herly. R.I.P*

*I will always remember Hurly as one of the most entertaining and fun cousin to be around. The last time I saw her, a few years back, she spoke so highly of her son, Joe Michael, and how very proud she was of him. Our sincerest sympathy to her family.*
