

## Mrs. Herlinda V. Ramirez

November 5, 1942 - June 30, 2020

Herlinda V. Ramirez went to be with our Heavenly Father June 30, 2020 at the age of 77. She was born in Escobares, Texas to Jose Villarreal and Ines Soza.. As the youngest daughter of 11 children, she grew up in the small town of Roma, Texas. The citizens of Roma knew her for her beauty, style, grace, quick witted humor and outgoing personality. At local dances she was the first one on the dance floor and the last one to leave. She was vibrant and full of life. One person who saw all these qualities in her, Victor A Ramirez, later became her husband for life. On the day of their wedding, Herlinda and Victor left Roma to move to San Antonio, Texas, where they began their new life, and eventually their own family.

She was no ordinary wife, mother, or grandmother. She faced many challenges starting in her early 30's with her first diagnosis of cancer. She was a two-time cancer survivor, which left her with disabilities for the majority of her adult life, and became a widow at a young age. These challenges she faced are what made her extraordinary. Herlinda faced it head on, keeping a positive attitude and sense of humor. She never allowed it to interfere with her ability to care for her two daughters Norma and Lisa, and creating wonderful memories for her grandson Cash. Herlinda was the epitome of strength and courage, never taking a single day for granted and living life to the fullest. Those who knew her, loved her. Those who loved her will never forget the beauty she brought to this world. Please join us in remembering Herlinda V. Ramirez.

Herlinda is preceded in passing by her husband, Victor A. Ramirez, and seven siblings. She is survived by her daughters, Lisa Ramirez (Andy Longoria), Norma Mendez (John), grandson Cash Mendez, and siblings Ascencion Villarreal Montalvo, Jose Francisco Villarreal, and Petra Villarreal Garcia.

“ With a very heavy heart I pray my Aunt Linda is in God's glory smiling down on us all. I have beautiful memories of her and I am grateful to have shared so many moments with her. I can hear her voice and laughter. Not sure if Lisa and Norma know this but she would call me regularly after moms accident to check up on mom. We had some good conversations and I am grateful for having her support and love during those times. I told her I loved her the last time we spoke, I will miss her dearly. May she rest in peace! Love you Tia until we meet again!

“ *Not too long ago she and I had a long and wonderful phone conversation. We reminisced about the past. I told her that I remember when she was dating my Tio Victor, they'd come over to our house and play bingo on their date night, Tia was slender and beautiful! I particularly remember her long slender fingers and how graceful she was. Tía, you will be greatly missed!*

*Mrs. Ramirez was a beautiful lady inside and out. I cherish all the Fridays I spent with her. She was an inspiration to me, the way she persevered in spite of her losses. I love you Mrs. Ramirez and will treasure your memory always. Rest in Heaven with Victor!*

“ My Tia Linda was always so kind to me. I have so many memories of eating Hostes Twinkies and DingDongs at her house with my cousins, My Tia always had a funny joke to share, a story, an experience. Later in life, we used to talk as adults, sometimes in person, sometimes on the phone and it was always the same kindness, playful jokes and story telling and she would always ask about me, that always made me feel special. May you rest in peace my Tia Linda, love always.
