“ *Carl and family,*

I'm so sorry to learn of the passing of your Father. I had the opportunity to meet him at St. Mary's when he was building the Athletics and Convocation Center. It was a brief meeting because he was very busy. All the folks, including my brother, that interacted with him had the utmost respect for him. He absolutely knew what he was doing and what was expected of those that worked for him. He will be missed by many. My thoughts and prayers are with the family at this sad time.

“ I had the pleasure of working with Herman in the late 90's on a task force for the East Central School District. Since then, I became better acquainted with his wife, Mary Lou, and made a life long friendship that I will forever treasure. I helped both Herman and Mary Lou during their son, Wayne Cure's, campaign for the school board and later became friends with Wayne and his family as parishioners of Holy Name Catholic Church. My husband, Jacob Rodriguez, and I extend our sincere condolences to the families on the loss of this truly remarkable man. He will be missed.

“ Our sincere condolences, thoughts and prayers go out to Mary Lou and family. Herman was my mentor and he taught me everything about the construction business. He was loved by everyone around him and treated vendors and contractors with respect and just the right amount of humor. I have so many happy memories of the projects we did together. Cheers to a great man!
With our sympathy and Love,
Bob and Yolanda Crittenden
