

Herminia Barrios

March 26, 1928 - March 10, 2020

Herminia Vasquez Barrios

Herminia was originally from Crystal City Texas. At a young age her family moved to San Antonio and at the age of 23 she met the love of her life, Candido Barrios. After a short two week romance, they married in the small town of Seguin Tx., and remained together until his death 66 years later.

Minnie was a seamstress by trade and worked at Kelly Field, and Lackland Air Force Base. Ultimately, she retired a tailor from Saks Fifth Ave. Although her profession was sewing, her passion was her family. She was a devoted wife, mother, grandmother and great grandmother. She loved taking her grandchildren places, taking pictures of the family, gardening and helping her own children in any way she deemed necessary. She will also be remembered for her unbridled love, her extreme and uncritical fondness of her daughters in-law.

She battled a debilitating disease (Alzheimer's) that lasted more than fourteen years, but never forgot her brothers and sisters, and parents. Today the Lord welcomes her home, at the age of 91.

“ Dear Barrios Family,
The photo of your mother in her youth makes it easy for me to understand why Sgt. Barrios snapped her up as his wife when he did... smile. She was beautiful. Our Byrd Family, your long time next door neighbor at 20th/ Poplar St. in San Antonio, not only got to see your mother's external beauty but also saw her beauty on the inside. She was friendly, warm and kind; we loved her and your family like “ mi familia.”
May God give the family solace, strength and courage over this period of mourning.
Love,
Tyrone Byrd, sus amigo todo el mundo 🙏
