“ I have lots of great memories of our Tia Dia aka Aunt Minnie. From making tamales at her house to the several gambling trips. She would try to tell me which slot machines were hitting. I didn't even know there was a Tarzan slot machine. As I was going through mom's old photos, I noticed there were a lot of road trips & I am glad that Aunt Minnie & Uncle Bill would include her in some of their trips. She would mail me a birthday card with \$20 and write, “get a hamburger on me”. Aunt Minnie would say hi & talk to everyone. Give momo & popo a hug for me. We will see you again one day. ❤️ U.

“ I live across and down the street from the Days. I will always remember Minnie's infectious laughter, usually on garage sale days. I could hear that wonderful sound from my yard. The neighborhood will miss her. Rest in peace in the arms of your Savior ☐🌸

“ I remember the first time I met Minnie at River of Life Church and she introduced herself to me as “Minnie as in Minnie Mouse”. She and Bill invited Butch and I to the Casino in Eagle Pass. Hope she says hi to my husband and sister in heaven.
