*“ Dearest Laura and family,  
I write on behalf of my parents, Ray J and Gloria (Cavazos) Garcia, to extend our condolences upon learning the loss of your beloved Horace. As school friends, my mother always spoke so well of how distinguished a man he was. It was really through the friendship of Laura and her mother during their school days that my mother recalls so fondly. I remain amazed at how such an admiration of Horace, Laura and their families have been shared with our family. We got to meet over 15 years ago, and it is a time I treasure. I had always hoped to see each other again. I shared a love for history and genealogy with Horace!  
Wish warmest regards,
