“ I've a lot of memories of my Tía Tencha.. She went to the beauty shop, and took me with her. She went inside and left me in the front seat.. Which was ok, until I stood behind the steering wheal. Somehow, I was able to shift out of park, and then watched myself backup into S. Flores.. And then watch Tía run and get into the car.. Another time, mom, tia, cubby and I went to the movies. It was crowded, so I had to sit a few rows from them. In about 20 min she brought me a soda and a box of popcorn. A really nice memory.
