“ I remember both your parents growing up as they were my parents' best friends. Your mom is one of the sweetest people ever! My mom loved her. I remember shortly after mom's funeral we all went to Morton's and then you guys gave us a ride back we were sitting on each other's lap and I just remember your mom giggling about everyone crowded in the car acting like we were all teenagers! Such a sweet memory. May God Bless you and comfort you in this time because losing a mom especially one as sweet and good as yours is very difficult.
