“ *Ms Betty, Penny and I send our condolences and deepest sympathies. He will be sorely missed by the many who knew him. When I read the obit, it caught me unawares and brought back many fond memories of you and your extended family—we met under equal circumstances on many occasions. My telephone number (mobile) is still the same and I'm available when the nights are long and lonely. We pray for the deepest peace, that only God can give, for you and your family. Yours in and through Him, Pat and Penny Andrews*

“ *I had the honor and privilege of caring for this amazing man and his family. He was truly amazing. always optimistic, never complained. always with his sweet smile.*
I remember the first time meeting the Robinsons and thinking how beautiful it was that after all the years together they always would reach for each others hands when close enough to hold them, even at times without looking. There were so many times while Hugh was struggling with the day to day hardships he would still look out and want to comfort Betty. He will be so missed.
Some people come into our lives, leave footprints in our hearts and minds and we are never the same again.
my Prayers are with all of your family!
