“ As a young man going to Sam Houston High School Mrs. Curry always was there for me. She always had time to listen to what was going on in my life. A real role model.

“ I came to know Vivian when she started attending LaVernia U.M.C., and I along with so many others fell in love with her immediately. She was a grand lady in every respect. I feel honored to have been able to share a small portion of her life.

“ *My Gigi was the most loving and caring person I have ever met. I remember all the times she was there to help me in Elementary school, talk to me, come visit my family and I, and also showed me the love for being an artist. Gigi has impacted my life in so*
