“ Ida,

There will never be another, like you ma. You will always be one of the strongest women in my life, up there with my mom and grandma. You have influenced and taught me so much and I will always love and honor you. Thank you for everything. God bless you always.

To Ida's daughters and grandsons:

Know how blessed you are to have had her and STILL have her. I love you and cherish all the memories I have been honored to share with all of you and Ida (and your dad/grandpa). You know you are always and forever in my prayers and my heart.
