“ Dad Farias- you were an exceptional man- thank you for allowing me the privilege of knowing you as your daughter-n-law. I enjoyed every story you told, all the family trips, the barbques, talking politics with you, and watching you care for me and my family by helping us with handy work around our home and guiding us on how to care for our home, You were a perfect role model for your son, Ignacio, because he is a lot like you- loving, caring, and very hard working. I witnessed you embrace your grandchild Joshua and always instilled in him the importance of going to school and loving his family. I love you and I always appreciated you and everything you did for us. I will never forget you. Your journey is over- May God care for you now with the same tenderness and love that you had for us. ❤️
