“ *Janice and Deb,*

Your Dad, was my Grandfather's brother. You all visited our home in Pasadena, Texas one time and Aunt Ilene made us laugh until there wasn't any more air left in the room! That's what she did...Enjoyed Life and everyone around her. I never saw your mom and dad much, but when I did, it was always a great joy! My mom and dad were Homer and Jonell Yates. My brothers are Charlie and Steve.

I was in San Antonio a few days ago and went by the cemetery to visit "The Yates", and saw a fresh grave. Immediately I knew it must have been Aunt Ilene's. I have wondered many times how your mom was doing, and never really knew where she was.

I just wanted to say hello and to send love to you both from another part of the family.

Regards, and Love to you both...
