Ima Dee Trimmier Akin was born July 29, 1917, in Hamilton County, Texas and passed away surrounded by her family on January 10, 2015, in San Antonio. Mother was loved dearly by her large, extended family. She grew up on a large farm in north central Texas and spent almost all her adult life in San Antonio. She was the last surviving member from a family of 8 children. Mother was preceded in passing by her parents, her seven siblings and their spouses, her husband of 64 years, Noble Truman Akin, her only daughter and oldest child, Dee Ann Akin Pack, and her great grandson, Austin Akin. Mother leaves behind her son, Harry T. Akin and wife Brenda, and son James K. Akin and wife Cheryl. "Mama Dee" was adored by her 6 grandchildren and 11 great grandchildren. She was a wonderful combination of sweetness and love with a tremendously strong will and perseverance. Her life of faith, caring for her family and pressing on with grace and dignity has been passed to her surviving generations. The family is grateful for the care mother received over the past several years at The Madison and The Heights on Huebner.
