“ I always loved going to Aunt Jean's. She was very sweet and caring. I loved looking at her plants and green house. She would share pieces of any plants you might want. I really loved the ipecias that I got from her. Now whenever I go to the Green Gate Nursery in Seguin I think of her and remember what a lovely, caring, and generous, person she was. May you rest in Jesus' arms until we are all together again.
