“ I am so sorry to hear about the passing of Ira.
He was such a nice man. I worked at the
same place as Ira did and every so often I
might have the chance of him being on break
at the same time with me and we would make
each other laugh with our cat stories. It was a nice way to spend a
break. It was a little later on that I put two and two together and
realized Tammy was his wife. I always thought they seemed like a
good match. Such wonderful people. My heart goes out to you,
Tammy, in this time of sorrow. You have my deepest sincerest
sympathy.
