“ *From the David Parker Family,*

*Words cannot express our sadness. Hopefully you find comfort in knowing that your husband/dad had a great impact on my life growing up in the neighborhood.*

*Even today when our family gathers together we play games around the dinner table, laughing, visiting & just being together - just like the old days at your home. We were lucky & honored to know your father & wish only the best for all of you in this time of sorrow.*

*The Parker Family.*
