“ My sincere condolences to the Algeria family. I had a the privilege of working with Irene at Kindred Elementary. She was a great teacher and touched many lives. We worked hard, but we also laughed hard. We weren't just work colleagues, we were family. She will be missed. Until we meet again. 🙏💕

My deepest sympathy,

“ I began my career as a teacher with Irene teaching fourth grade, and I ended it with her teaching fifth grade. I am sure that some of her students viewed her as a strict teacher, and she was, but she also had a heart of gold and had a great sense of humor. She not only taught academics, she also taught her students how to handle the situations that would arise in their lives. She even taught me a thing or two on class management. She was definitely a huge part of Kindred Elementary.
