“ *Irene will always be in our thoughts. We have known her for over 15 years, as she was the one who cut our boys' hair since they were little. Over those years, she became a family friend. We will always admire her for fun personality. She was always the one who would never sugar coat anything, just tell you like it is! Every time I went to her shop, I knew I would have my 'therapy' session... updating her with all the news of my family. I will miss that. I take comfort in knowing that she is happy again, in such a beautiful place. And I will one day get to continue my 'therapy' sessions with her. :)*

*Sincerest Condolences to the Family, friends, and all loved ones.*
