“ Wela, you were a gift from God for our family, a mother for all purposes even though I was your granddaughter, God took you to rest and to enjoy your children again, as you walk with angel's and pain free, know that I miss you and love you each and every day, I can't wait to be by your side again, as I wait for God's calling I know you will wait for me by the gates of heaven to walk me in and we can all be a united family with God, I will miss you till my dying day, I love you Wela 🙏❤️
