“ *To the entire Perez family, especially those with whom I worked...Barney, JoAnn, Rose Marie...you have my deepest condolences. May God grant you the strength in the days ahead. I remember Irene so well doing her job at South San High School and stopping a moment to visit with me. I later worked with other members of her family. Total South San pride. May God be with you. It's sad, but since the pandemic, I've been notified or have read about the death of so many friends and co-workers.*
