“ *Irma was my dear friend in Colorado. We became roommates in 1978 when Irma generously allowed me to live in her Glencoe home. I owe Irma so much for being kind and considerate to me as I worked my way through college. Her charity to me as a friend and roommate is directly responsible for my success. Irma is one of the most kind, loving and faithful friends anyone could ask for. I will miss her for the remainder of my day.*

Love you, Irma
