“ I will truly miss your calls on random days, just to check in on Alex, the kids, and me. You cared so deeply, and it showed in everything you did. Your heart was so full of love, not just for your family but for everyone around you—including me. Your kindness and warmth were a gift, and the world feels a little dimmer without you in it. May you rest peacefully—you will be missed more than words can say.
❤️ we will miss you And forever love you Liz

Our thoughts and prayers are with the Family at this very difficult time. I remember when I first met Liz after we moved next door to the Medina Family. She has always been a true joy. Curtis and I will miss her, but will never forget her.
