

Isabel Wong

November 18, 1931 - October 29, 2022

Our beautiful Mother and Grandmother, Isabel S. Wong was born November 18, 1931 and entered the Kingdom of God on Saturday October 29, 2022; she was 90 yrs. young. She was and always will be so very loved by all her family. As our mother left this world, she was surrounded with much love and prayers from her children. Her passing was a gentle and peaceful one.

Isabel had a delightful, joyous, kind and loving personality that drew everyone she knew close to her.

She had a slightly mischievous sense of humor that made her so much fun to be with. Her kitchen table became a gathering place full of laughter, fun and even many a therapy session for family and friends; and of course, there was always coffee and pan dulce. She was an amazing cook; her kitchen was always filled with savory aromas of whatever she was cooking. No one ever entered her home with out being offered something delicious to eat. She was a devoted wife and mother, an especially fun grandmother that was adored by all her grandchildren. She took such good care of most of her grandchildren at one time or another, and that helped to develop strong bonds between them. She had several cats that she loved as well. She had such a big, loving heart that drew not only people to her but animals as well, cats were her favorite. Isabel married the love of her life, Samuel Wong on March 24, 1951 and they had 3 loving children, Sam Wong Jr., Richard Wong, and Elizabeth (Lisa) Wong. She was a devoted wife and mother, always very supportive and involved in their lives. When her daughter Lisa opened a small Mexican

restaurant after graduating from high school, Mom jumped right in to work side by side with her. She was very supportive of her daughter's endeavor in becoming a successful restaurant business owner and a respected business woman. Mom loved working at the restaurant (Lisa's Mexican Restaurant) and reveled in learning and doing whatever job needed to be done, but her favorite job was working the drive-thru window. She enjoyed meeting and having short conversations with her customers at the window. She would leave a great impression on so many that we would hear such heart felt stories from customers she helped, after she had retired. The most memorable were of people that would come by the window and only ask for one taco, Mom would immediately give them more food than they ordered and tell them it was on her. She was always a very kind and generous person, a legacy that she has left for all of us, her family, to live up to. Mom created such a fun atmosphere while working in the restaurant kitchen; there was always laughter and hard work going on when she was around.

Isabel was preceded in death by her loving parents, Valda Guadalupe and Luisa Sanchez; her husband, Samuel Wong, her son Sam Wong Jr. and all her siblings: Ramon Sanchez (Mary), Luis Sanchez (Carolina), Joaquin Sanchez (Doris), Guadalupe Contreras (Manuel), and Alfonso Sanchez. She is survived by her son, Richard Wong, her daughter Elizabeth (Lisa) Wong; daughters in-law: Diane Wong, Bonnie Garcia and Janie Montemayor; her grandchildren: Jenny Wong, Michelle W. Gonzalez (Alejandro), Suzie Wong, Robert Bergman (Dulce) and Megan W. McComb; her great-grandchildren: Ashley Cavazos (Jonathan), Julian W. Urías, Jacob W. Olivares, Jordan C. Escamilla, Ayden L. Gonzalez, Isabella W. Gonzales, Jayden W. Mesquias, Jayce W. Mesquias, Kendal T. Bergman, Zoe V. Bergman, Genesis Wong, Adam Habaq, and Hunter McComb; great-great grandchildren: Ava I. Cavazos and Eliana Urías.

“ Lisa, Dickie, and entire Wong family, my sincere condolences. I knew Mrs Wong through my sister, Janie, her daughter-in-law. She embraced my sister as one of her own. In my observance, her love of family was one of her greatest joys. Just like God holds us under his wing, Mrs. Wong held her family under her wing, lovingly and protectively. In her presence one could see that she overflowed with love. She had a way of making you feel loved and special. She was a spiritual lady who made an impact on all who knew her. Most certainly her love of God was evident. She loved the Lord with all her heart, soul and strength. I can just imagine her sweet face filled with joy in the presence of the Lord! Until we meet again! Love you, Marty Saffell

“ Our journey began in 1981, when Lisa opened her first restaurant on w commerce, mama wong ,that was what everyone called her. She was the perfect example of a mother, truly her dedication to her children was rooted in me and my family. Her thoughtfulness, caring, kindness and love was what our memories are.Mama wong left an impact on my children that has been in printed in there hearts , we opened a location on Cincinnati, near her home, she would stop in and give them words of encouragement and that would make them so happy, when they shared the visit tears were expressed along with joy. “ My condolences to all.. Such a loving caring soul whom I had pleasure of knowing for 10 years when we became neighbors on Crossette in 1992. Her early morning watering of her plants to calling out the names of all her cats, always smiling and saying "you need anything Mijo let me know". She will always be remembered for her kindness, her "I'm praying for you" to me and my sons. RIP Mrs. Wong... Leonard Castillo

“ I first met Mrs. Wong years ago when I began working with Lisa to promote Rosario's. I remember her generous, kind and fun-loving spirit. She always gave me extra tacos too at the drive-thru at Lisa's Mexican Restaurant or refused to take payment. :-) The last time I saw her was opening night at the Rosario's North location. I'll never forget how she greeted me by throwing her arms around me and saying, "Well, if it isn't the Belle of the Ball!" That was so funny. I'll fondly remember her as a loving mother to Lisa and her family and as a faithful woman of God. Her presence and big heart will be greatly missed. - Diana Marin
