“ Gabriel Rosas. I'm hoping your life made it full circle even thou it was cut short. So unexpected you were a fighter and full of life. You were blessed with a great family and helped numerous people . You even became a grandpa. Miracles and surprises. Your life was full of goals and thru the obstacles you taught me that almost anything is obtainable if you try hard enough for it. May your spirit live on with the people you influenced . Rest In Peace my dear friend. You will be deeply missed by many.
