“ *Uncle Jack was always a very soft spoken, kind hearted man. Even just the past few years, kept in touch with him off and on so that he and Aunt Irene could vote by mail. He'd call me at work to find out what elections were coming up and we'd spend a couple of minutes chatting. The one thing I remember, from when I was young, is that Uncle Jack used to eat an onion, just the way other people would eat an apple. Kept him healthy! My condolences to the family. Rest in peace, Uncle Jack <3*
