“ Jake and Sylvia Karol and I are saddened by your loss. Jack was a dear friend for many years and we miss his wonderful spirit and working ethic dearly. He helped me at the ranch when we bought it 25 years ago and I had hoped he could see what it has turned into today. I will miss you and hope to share hunting and fishing stories once again with you in heaven. Prayers for you and your family!

“ To the family of Jack R. Graham,

We were so sorry to hear of the passing of Jackie Ray. We send our sympathy to you and your family. When we were young, we loved to visit the family and Grandma in Leon Springs. We have fond memories of the fishing and picnics at Blewett.

Blessings,

Harry and Betty Lawrence

“ *Jack taught me how to run a trot - line , the best way to skin a cat fish, many great times making sausage out in the barn. When Jake and I were younger and running together Jack always treated me like his own. Good father , good husband one heck of a fisherman and a good Union Man. I remember the days running across Aransas Bay to Allyn's Bite, he would always let me know how many fish were on his stringer compared to mine. Good times. RIP Jack.*
