“ Jack will definitely be missed one of the strongest men i knew . He had caring for his boy's friends always welcoming with a hand shake and how ya doing.
One of my favorite memories was him, wayne and i went to his family ranch in d'hanis and feed corn for the deer. The prank was to tell me to high step while feeding corn so the havalina wouldn't get my ankles . dang i was naive. Lol 😊
For ever missed

“ Trinidad says that Jack was one of the great guys. If it were not for Jack, we would not have what we have today. It was Jack that took a chance and hired Trini with Moore Service and then rehired him after Trini had quit for a short time. He gave him some great advice about how the boss was going to rearranged the office in San Antonio. So due to his advise, Trini had a long career with the company. Trini learned from Jack how to respect & treat his employees. He was great mentor to Trini & we are forever thankful. Jack & Carol were great friends and hosted us at their lake home many, many times. It is because of them that our kids love the water. May Jack be resting in peace now. We will continue to keep Carol & the family in our prayers.
