A visitation will be held on Wednesday, October 10, 2018 at Mission Park Funeral Chapels South from 5:00-9:00 p.m.

He was a loving father and son. Jack loved to hunt and fish and he was as good at it, as the next. Jack was also a very good artist, whether it be a tool or a pen, when it came from his hands, mind and heart, you could count on it being beautiful. Jack was a lover of wildlife, from raising wild boars to be pets he could play with, to having deer eat corn chips from his mouth, he always seemed to have a way with wild animals. Jack was always willing to give the gift of his self, to others in need. His presence in this world will truly be missed by all. Thank you for all you have done and take care my son, we will meet again someday. Mom and Dad.

“ You were always amazing and always up to something usually having to do with whatever wildlife you found that day. You always had the biggest heart and the most purest soul. We all loved you and knew we had to protect you.. because you were the kindness in our dark world. I was there to catch you when you came into this world and God blessed me to be there to hold your hand when you left. Rest easy with your brothers now and don't raise too much havoc before I get there. I will always love and miss you.

“ I can still feel you in this world. Your son is safe and thriving. He remembers things that you did as a child and it's comforting. He so wants to learn more and we do all we can to help him. I love and miss you every day baby boy.

“ Jack, was a great man. He would always come by and check on me and my son. He would help mow my grass. Bring Pop tarts to my son and play with him. We miss him dearly. There is not one day that goes by that we don't think about him and pray. Our condolences to the family. May Jack rest easy. May the family find peace. Much love. Stephanie and Arkaidian Yon
