“ Even though my friendship with Jack occurred for a few short years I will always remember what his name meant to me. The first letter " J " stands for the joy of his friendship. It was always a Joy to be around him. Very (A) amicable and (C) and very (C) courageous with a lot of character in fighting the enemy (C). Last but not least he was (K) kind. So Jack as you travel to the "Wild Blue Yonder" I will never forget you. May you Rest In Peace. Appreciating your friendship, Roy Muñiz

“ Sorry for the loss. For all his family and friends. It's a loss for all of us. I met your dad somewhere around 1st or 2nd grade Five Palms. He's been a part of my life ever since. Last time I saw him he said I looked like Paul and gave me a big hug. Rarely in life do we meet people and keep in touch for as many years as I've known your family. 40 years give or take. Thanks Mr Thomas. For being my Cub Scout leader, for teaching a young boy along with yours the lessons of life, the countless days n nights you gave me room n board, food to eat, entertainment at your home, and simply being there for me throughout my life. You will be greatly missed.
Lenny.

“ So sorry for the loss of your loved one. Jack & Family will be in our thoughts & prayer. We moved next door to Mr & Mrs Thomas in 1969. They were the best friends & neighbors we could have asked for. The family were all caring & we loved them all.

“ When my mom died we had an estate sale at her house. I asked carmen & jack if they would help & watch the jewelry. They were happy too. It was incredibly nice of them. Jack could go through numbers add them in his head and have the results before you could do it with a calculator. I loved playing dominoes with them @ carmen's famous dinners. Jack would always be the score keeper. I will miss you my dear friend. You and carmen are like parents to me, I shall always be grateful. Love Deborah

Jack Benny has been a part of my life for 72 years. i was six years old wnen I moved into the nighborhood, it became a life of a long friend ship. We joined the Army National Guard in 1954 and 1955 and joined the U.S.Air Force together on December the 28th 1956. We lost contact with each other in the Air Force. We made contact in 1978 when my family and I moved to Austin, Texas, it was their that I meet his beautiful wife Carman and their family. I could write a book about the things we did growing up together. I am the only one left that grew up in the old wild nighborhood in Paris, Arkansas. Even though we did not communicate with each other very much, I will miss him. May God Bless You Carman. Harris
