“ *Jack's happy and fun presence will truly be missed at Twin Rivers Senior Living! Jack was part of our community for 8 years. The fondest memories of Jack were his love of people and the fun parties that we had. He always wanted to dance at the parties. He loved life and he lived life, a true inspiration for us all. Our deepest condolences to Jack's family during this time of loss.*

“ Dear Winfield family,

My sincere condolences to you all on the passing of Jack. I had the good fortune to work with Jack for many years when I was first starting out at Southwest Research Institute. He was great to work with and I learned a lot from him. He was always willing to help and a very kind soul. Very fond memories! I will miss him. It is comforting to know that he and Joyce are again and forever reunited. Rest in peace, Jack.
