

## Jack W. Young Sr.

July 19, 1963 - March 6, 2024

Jack William Young, 60, of San Antonio, Texas, passed away on March 6th, 2024, after a sudden diagnosis of cancer.

Jack was born on July 19, 1963, in Portsmouth, Virginia, to his parents, Martha and Jack Young. He graduated from WT Woodson High School in Fairfax, Virginia 1982, and continued his education at West Virginia University, graduating with a degree in Business Administration in 1986.

Jack continued his studies and graduated from United States Air Force Undergraduate Pilot Training School (Enid Oklahoma), in 1988. Jack had a distinguished 20-year career in the Air Force, retiring as a Major in 2007. After the Air Force, Jack began a second career as a pilot for United Airlines. He was a Captain and flew 737s up until two days before his diagnosis. He enjoyed every minute he spent in the cockpit.

Jack is survived by his wife of almost 36 years, Carol, and their son, Jack William Young Jr. He is also survived by his sister Beth Young and her husband, Dan Pickard, niece Loren; and his brother Richard and his wife Kelly Young, and nephew, Mason.

Jack was a loving and devoted husband, father, son, brother, uncle, nephew, friend and dog owner. He always wore a smile and lent a hand whenever

needed. He loved his family. He loved music. He loved movies. He loved barbeque. Jack loved cars, especially his 1992 Miata. Jack enjoyed many hours exploring back Texas roads; top down, sunny day and music on. When Carol couldn't be his co-pilot, his dog Eddie could be found in the passenger seat.

He is loved and will be missed by many. A tribute to his life will be held at a later date.

MM

“ Mr Jack was one of my husbands first personal training clients. Not only did he continue to support us for almost 10 years , he became like a father , uncle figure to my husband. They could talk about anything. Mr Jack was just the coolest guy. His stories about flying were so fun to listen to. He was just the best. We will truly miss him. The entire gym knew Mr Jack. We love Jack Jr and Carol so much and will continue to love and support them however we can.

*Rest in Peace Mr Jack. We love you ❤️*

“ Jack was a patient of mine. He will be truly missed. He was always so kind with a smile on his face. I know he loved his family and his black lab Eddie by the conversations we had. It's so heartbreaking. My prayers will always continue to be with Carol and Jack jr. I pray that God give you both new strength and peace every day.

*He has a beautiful family that are loved by many.*

“ Jack and I have been friends for over 20 years. We first met while flying T-1As at Randolph AFB. We both joined Continental and now United Airlines. We often talked about flying, cars and our families. A finer man in this world you will not find! You will be missed by so many my friend. Clear Skies and Godspeed.

JY

“ Jack and I were fellow pilots in the 99th FTS at Randolph, and we retired and started at Continental Airlines a week apart. Our airline careers paralleled each other...FO in EWR on the 737, transfer to IAH at the same time, upgrading to 737 Captain close to the same time. We have so many mutual friends together. We both owned Miata's. So many similar things. My running joke to him was to loudly greet him in the airport by saying "Hi Jack"....the way the line was presented in the movie "Airplane".

*And I have never heard anyone ever say a bad thing about him. That's a testimony to his person.*

*Our circle of friends has a huge hole where Jack used to be. He will be missed greatly.*

*Godspeed Jack!*

ED

*Jack you will be missed by all  
You were the sweetest man on our block, always there for us all. You  
are in Heaven prayers & we will take care of Carol. God is with her &  
most of all with you. We will miss your wonderful smile always &  
walking up down our street. We never forget you thank you for your  
service, your friendship, Rest In Peace dear friend.*
