Jacob was known by many people as a child and as an adult and was always well liked, he certainly had the gift to talk and was never shy. Jake was always one to make people laugh, his smile was infectious. With his family he loved to joke around. As a son, he helped his mother, grandmother and Uncle David with the yards. As a brother, he enjoyed annoying his older sister as often as brothers do. As an uncle, enjoyed making jokes to make everyone laugh. As a worker, he worked hard and had great customer service skills, he was

extremely knowledgeable in the automobile inventory industry. Jacob loved to be sociable as he enjoyed his billiards. When possible, enjoyed playing poker cards while waiting for the family bar-b-que to be ready. The most important title that he had was a father to Gavin and Michael. As a father he was filled with absolute pride and love for his boys. He loved to take them to eat at El Sol restaurant and take them to the movies as often as he could. Although his boys did not live here, he would talk to them on the phone about caring for vehicles or any other matters of the heart. Jacob would call them as much as he could, which would always be cherished.

Jacob will always be in our hearts and minds forever. He was loved by all and will be deeply missed.

We shall meet again in the arms of our Lord Jesus Christ.
