Jacob Matthew Lopez, died May 7, 2023 in a tragic hit and run accident on the south side of San Antonio. He was Born September 2, 2004 making him 18 years old and in his Senior year at South San Antonio High School. He was a month away from graduating and actively involved in the class of 2023. He was a class officer, involved in the Chess club, Interact Club, and was set to leave for the Marines right after Graduation. Jacob embraced every day as it was given to him and had such strong ambition on where being a Marine would take him. Anyone that ever met Jacob knew he was Selfless, loving and hardworking. Nothing was ever handed to Jacob easily and unfortunately he faced many obstacles that no teen his age should have to face.
