

Jacqueline Clarke

July 3, 1952 - July 26, 2012

Jacqueline Ann Kurkowski Clarke, age 60, transitioned from this life on Thursday, July 26, 2012 to join In heaven her loving parents Leonard and Yolda Kurkowski, brother John Andrew Kurkowski, and nephew Zachary Jaeckle. She is survived by three younger sisters: Catherine Kurkowski, Charlene Kurkowski, and Cynthia Kurkowski; nephews Matthew Cherry, Brian Kurkowski, and Devon Hahn; and nieces Dori Kurkowski and Jordana Hurst. Jackie was born in Aberdeen, South Dakota on July 3, 1952, and raised in San Antonio where her parents moved when she was a toddler. At age 21, she moved to West Hollywood, California, where she lived and worked as a legal secretary for a well known entertainment lawyer. This position gave her the opportunity to befriend musicians she admired. In 1990, she returned to Central Texas to be near family. Jackie lived life as a free spirit, even moving to Jamaica where she was married briefly to Donny Clarke. She was always so full of life. Though some of her actions surprised or even shocked people, she was fearless in her courage to do what she wanted and enjoyed her passion for music, art, animals and world culture. She loved her oil painting and gardening. In keeping with Jackie's wishes, there will be no funeral or public memorial service. Those wishing to honor her memory are welcome to make a contribution in Ms. Clarke's name to the Southwest Division of the American Liver Foundation or to the San Antonio Humane Society.
