“ *My mother always said she never worried about any of her six children if she knew they were with Jackie McCarley. She was our guardian angel. I have thought of her often and will miss her until meet again in Heaven.*

“ My heart is so incredibly heavy seeing her obituary, but this beautiful God filled woman lived a long life. I always called her Grandma Jackie because she was just that for me, an adopted grandma. My mother and father had been friends with her before I was even born. She was extremely close to my family and will forever be cherished. I can hear her saying, “Oh my stars above”. Brings tears to my eyes. I love you always and forever. Incredibly grateful I always kept the cards you gave me for every single birthday. I know you’re having the best reunion in heaven! Tell Mr. Eddie and Mr. Jimmy we miss them! ❤️👍

Love always,
Your adopted Grand Daughter
