“ *Uncle Jaime,
I will miss you more than you will know, it is hard to say goodbye but i know its only a matter of time before we say hello again. I have so many memories of you, me and Alex hanging around listening to music in your room in LA and going to the corner store to buy us a treat. You would always tell me the story how you used to change my diapers..that is a story that i will never forget and that will always bring a smile and laughter to me when i am missing you. Your laugh and big smile was priceless when my dad would give you grief on how your Cowboys. I am the luckiest niece to have an Uncle like you, I will miss you!
