“ *I'm sure gonna miss you. I know some things we didn't see eye to eye, but sometimes that's just the way siblings are. You were such a good person and you were always there when I needed you. I love you and I miss you. Please give Michael, Sissie, Granny, Granddaddy and Uncle Bubba a hug from me and all of our lived ones. Can't wait to see you again. ❤️❤️❤️*

“ Dad I can't believe you are gone! I love and miss you so much! I know that you are no longer in pain, but it still doesn't make it any easier to not have you here.

“ I have lots of memories and funny moments with James. His family has been apart of my family for 33 years. My grandmother loved him dearly and he loved getting her christmas cookies every year. I hope you two are having a "hay day" up in heaven. I will sorely miss you as I do her for eternity!!

“ This is Rebecca Lewis when I was in first grade my dad took us to the lake. And we were sitting on the platform above the lake and my half brother my step brother pushed me in and when I went in I didn't know how to swim and I started going down in the water and James was at the food stand and he ran all the way from the food stand to where I was in the water going down and he grabbed me by the hand and pulled me out of the water and save my life I was not even 6 years old at the time around 6:00 that was a memory that I've had about him that was so sweet he was always a kind and gentle person when he was young always took care of everybody and very loving I'm sorry for your loss
