“ *Dad loved the military and it was his life. It took him on many great adventures. It also took my brother James and I on great adventures -living overseas. I was born in the Philippines and started school in Taipei Taiwan. The military, was Dad's persona, he was disciplined and always had his life in order. I always loved the stability of that in my father. Love you Dad, and now your next tour of duty is with God in heaven. ❤️*
