“ *Jaime... he was a beautiful person to me & all my family always showed compassion, love to my mom & daughter. I'm going to miss everything about him, especially his greeting when you would arrive to his house, all the conversations on the back patio, all his different sayings. Jaime, Sonia & all the kids occupied a place in my heart & it will be difficult to carry on without him. Rest easy Jaime & we will keep your memory alive* ❤️

“ *It's been hard to accept that you are gone my dear friend. I never thought this could happen to such an amazing person like you. You have brought so much joy and knowledge into my life. You taught me how to have peace and patience and laugh at the face of adversity. I thank God for purposely placing you in my life. We shall see each other one day. I will hold the fort down until then.*
