John  
Hamill

“ *Being away in the military you are aware of the time and people you are separated from, but I didn't realize until later just how much I had lost. The family that you had that was once so close didn't stop living their lives just because you were no longer in it, time moved on and others filled the void that you left and things changed. I am sorry for the time that we lost and would give anything for just one more day with you and dad.  
I love you and will miss you terribly*

“ *I have so many memories it is hard to choose. I remember one time when the youth at church went to the coast and dad drove the bus. You and I just walked the beach and the jetty that day and talked. I will miss you*
