

James "Jimmy" Keeton

November 4, 1971 - January 21, 2019

James Raymond "Jimmy" Keeton, age 47, went home to heaven on January 21, 2019.

Born on November 4, 1971 in Corpus Christi, Texas, he was the youngest son of William and Ann Keeton. Jimmy was a 1990 graduate of Winston Churchill High School. He married Christina Keeton (Lampley) and during their 19 year marriage, the couple welcomed two children. James enjoyed working as an aviation safety inspector. He took pride in ensuring industry standards were met and was known for his attention to detail. He loved being in the company of friends and family, but nothing gave him more joy than being a dad. He loved watching his son play soccer and listen to his daughter play the violin. James is survived by his wife Christina Keeton and their two children Ethan and Madeleine, his mother Ann Keeton, his brother Jack Everett and wife Patty, his sister Charlene Brammer. He is preceded in death by his father William Keeton.

A service will be held at Mission Park North, 3401 Cherry Ridge, San Antonio, TX 78230 on Saturday, January 26th at 3:00 pm.

James will be dearly missed but will remain in our hearts, thoughts, and prayers until we meet again.

“ *Words cannot express how very sorry I am. I've known Jimmy for over 20 years and being his friend was like the easiest thing ever! He was a no nonsense kinda guy- always willing to lend a hand or to just be there to listen when I needed a friend. My favorite memory of him has to be when I first saw him with Ethan. He was so overjoyed to be a dad. I will never forget the "Greatest American Hero! (Christina knows what I mean ;)." You will be missed everyday!*

“ After my son was born while just minutes old my husband went out to show everyone the baby. He was big- 9lbs 7 oz. My eyes were closed as I was exhausted and from a distance I heard “hey Bernard you gonna trade in that crib for a twin bed? “ That was Kimmy’s humor. He would deliver a line very matter of fact and if you weren’t paying attention you’d miss it. He will be missed
