“ Jimmy was always a little rough around the edges but ,he had a heart of gold . That showed in his family ,his friends, and the ones you took in and helped. Jimmy never took credit for his good but humbly gave it to his wife and family. That Roadmaster always had a story to tell and love listening to other . Jimmy loved making folks laugh and feel comfortable in his home .He was good people and his kind are few and far between. We love you man and may the good Lord keep you.
